FEBRUARY 1st

Stripped down by the river	**Bb Dm C A**
Praying for some change	
And then you come to me	**Bb Dm C A** TACET
With your warm embrace	
I've been lost for so long	**Bb C Am Bb**
I'm just try to find my way back	
Been searching for something for so long	**Bb C Am Bb** **1234**
I think I found it at last	

I run to see what I'm looking at	**F Am G Em** ( ) X 3
I run to capture it	
But then I stop in the moment thinking	**F Am Bm Em**
I'm not good enough oh	~~F Am G Em~~

Oh my, Oh my (X2)	**DM C G 1234**
My mind is a cruel place	**Bb Dm C A**
Feeding me all the lies	
Throwing me in the deep end	**Bb Dm C A**

I've been lost for so long	**Bb C Am Bb**
I'm just try to find my way back
